

REMARKS

I. Status of the Application

Claims 11-20 are pending in this application. In the July 9, 2005 final office action, the Examiner:

A. Rejected claims 14-20 under 35 U.S.C. § 112, second paragraph, as allegedly being indefinite;

B. Deemed claims 11-13 allowable.

In this response, applicants have cancelled claims 14-20, without prejudice. As a consequence, only allowable subject matter (claims 11-13) remains in the case. Entry of this amendment is earnestly solicited as the case is in a condition for allowance.

II. Conclusion

For all of the foregoing reasons, it is respectfully submitted the applicants have made a patentable contribution to the art. Favorable reconsideration and allowance of this application is, therefore, respectfully requested.

Respectfully submitted,

Harold C. Moore
